8:30 a.m. – 8:40 a.m. Room: Jasmine CD	Welcome & Introductions Elisabeth Stambaugh, MD, MMM, Chief Medical Officer, Wake Forest Health Network & Chair, AMGA CMO Leadership Council
8:40 a.m. – 9:15 a.m. Room: Jasmine CD	Engaging Specialists in VBC Ashish D. Parikh, MD, Senior Vice President, Medical Affairs and Quality & Kerry S. LeBenger, MD, FAAAAI, FACAAI, Chief Medical Officer, Summit Medical Group Most medical groups have well-strategies to support Primary Care Physicians in delivering high-value, high-quality care. There has been far less focus on Specialists who share in the care of attributed populations. In this session, we will share how Summit Medical Group converts Specialists into Value-Based Care believers by appealing to their hearts, heads, and wallets.
9:15 a.m. – 9:50 a.m. Room: Jasmine CD	Physician Engagement and Emerging Compensation Models Stuart Levine, MD, Chief Medical & Innovation Officer, Agilon Health This presentation describes the transition of medical groups to globally capitated and full risk agreements around some and or all lines of business. This initiative surrounding true value based care is the need to facilitate physicians managing their patient panels and build the medical and administrative management infrastructure to facilitate this rapid transition. Learn how to re-engineer the PCP and specialist compensation plans as well as the contracting relationship with the health plans to build a care model that supports all PCP's regardless of the level of their practice and insure no patient falls through the cracks.
9:50 a.m. – 9:55 a.m.	Break
9:55 a.m. – 10:30 a.m. Room: Jasmine CD	Establishing Team Based Care for Value: Advanced Practice Professionals in Primary Care* Suzanne Wenderoth, MD, FACP, Chief Clinical Officer, Tower Health Medical Group

During this presentation, learn how Tower Health Medical Group established consensus and revitalized team-based care to deliver value. Items to be discussed include creating a robust orientation and onboarding boot camp; empaneling & risk stratifying patients; and establishing best practice for previsit planning
